The LESLIE BELL SINGERS

That There Be Music in Our Lives

Music teachers have dedicated their lives to the endless task of guiding earnest generations towards the joyous experience of musical appreciation and accomplishment.

Through the patience and skill of these devoted musicians our Canadian homes are richer in culture and our children have acquired an art that will provide them with untold pleasure for the years to come.

HEINTZMAN & COMPANY has enjoyed a close and happy association with the Music Teachers of Canada and will always share in the important and necessary work of the Music Teacher in moulding better and happier citizens.
